NOTICE OF MOTION FOR EXTENSION OF TIME

TO THE REGISTRAR OF THE SUPREME COURT OF CANADA:

The Applicant, Allan Douglas Wilson, appearing without counsel, brings this motion pursuant to Rule 47 of the Rules of the Supreme Court of Canada, SOR/2002-156, for an extension of time in respect of the application for leave to appeal filed in the above-captioned matter.

The application for leave to appeal was originally submitted to the Registry on January 22, 2026. A revised application for leave to appeal was subsequently transmitted to the Court on March 4, 2026. The Court's Registry, by correspondence dated May 15, 2026, confirmed that the application for leave to appeal has been accepted for filing under File No. 42354 and has identified outstanding procedural requirements that must be satisfied prior to the application proceeding.

The Applicant respectfully requests that the Court grant an extension of time sufficient to permit full consideration of the application on its merits. The underlying proceedings raise questions of significant legal importance concerning the conduct of law enforcement and the accountability of public authorities, together with jurisdictional arguments advanced in correspondence and submissions directed to this Court. The extension is requested to ensure that the Court has adequate opportunity to assess those matters in their proper context.

The Applicant has prosecuted this matter diligently, and the delay in satisfying the filing requirements arises from the procedural history outlined above and the time required for the Registry to conduct its initial review of the submitted materials. No prejudice to the Respondents is anticipated by the granting of this extension.

The Applicant therefore respectfully moves that this Honourable Court extend the time for the submission of the application for leave to appeal, together with such further relief as the Court deems appropriate in the circumstances.

DATED this 15th day of May, 2026.
